

# JEWISH COALITION

LEARN HOW YOU CAN HELP BUILD HOMES AND HOPE WITH HABITAT LA!

Jewish synagogues across greater Los Angeles are joining together in 2016 with Habitat for Humanity of Greater Los Angeles (Habitat LA) to build decent, sustainable and affordable homes with hardworking, low-income families and individuals throughout Greater Los Angeles!

Join us for a build site luncheon  
where we invite you to:

- Experience an active Habitat LA construction site.
- Meet our construction team and have your questions answered.
- Learn more about how we build and the theology of the hammer!

“The best way of breaking down barriers between people or communities is through simple, unforced acts of kindness.”
