

2016 HOLLYWOOD BUILD

JUNE 3-4, 2016

Habitat for Humanity of Greater Los Angeles (Habitat LA) will bring together more than 400 volunteers to revitalize a neighborhood in the City of Inglewood for our **2016 Hollywood for Habitat for Humanity Build** featuring the **Entertainment Industry Build** on **June 3, 2016** and **Power Women, Power Tools®** on **June 4, 2016**. During this weekend event, entertainment industry executives, talent, corporate leaders, government officials, faith groups and community stakeholders will work side-by-side with Habitat LA partner homebuyers and homeowners to further Habitat LA's mission of **Building a Greater Los Angeles**. This build event invites volunteers to be an agent of change as we "Rock the Block" with the continued construction of three new homes on our Hyde Park site as well as helping to repair, beautify and "green" homes in the surrounding neighborhood.

PREVIOUS SPONSORS

Sponsorship of this build event allows you to engage your employees, raise your company's corporate social responsibility profile and garner media visibility through social and traditional channels.
