Friday, April 20, 2018

7:30 am - 2:30 pm

Harold M. Williams Auditorium | Getty Center

VIP & Awards Reception

[Celebrating our honorees, sponsors and program participants!](#)

Thursday, April 19, 2018

5:30 - 7:30 pm

Haworth Showroom

Presenting the LABC Legacy Award

Mary Nichols

Chair

California Air Resources Board

We are honored to award Mary Nichols for her leadership in crafting, implementing and extending California's landmark cap and trade program.

Thanks to Mary, the program continues to be a crucial tool to reduce greenhouse gas emissions, spur economic development and fund some of our most important affordable housing and transportation programs in the U.S and abroad.

[*The VIP & Awards Reception is exclusively for members and sponsors](#)

For sponsorship information, please contact [Kandace London](#)

Summit Topics and Issues Include

- Re-thinking waste as a tool to combat hunger and create a sustainable energy source
- How utilities and municipalities are using innovative technologies to advance renewable energy, electrification and energy efficiency goals
- Modernizing water management, resources and security
- California's plan to achieve our climate goals
