

Volunteers are the heart of Habitat for Humanity of Greater Los Angeles (HFH GLA).

Thousands of volunteers lend a hand to build and rehabilitate homes with us each year. HFH GLA brings together individual and group volunteers to ensure that everyone can live in decent, sustainable and affordable housing.

Individual volunteers sign up online and groups can get more information on our website at www.habitatla.org.

Construction Site

Our homes are built almost entirely by volunteers, both skilled and unskilled. Whether you are a contractor or have never picked up a hammer in your life, we can use your help. Construction sites include new construction, rehab (extensive remodel), and A Brush with Kindness (exterior repair) projects. All construction volunteers must be 16 or older.

Tuesday – Saturday • 8 am – 3:30 pm

ReStores

The ReStore sells new and used home furnishings and building materials to the public at great discounts. Volunteers organize and move merchandise on to the sales floor and assist customers. Perfect if you want to check out the deals! All ReStore volunteers must be 14 or older.
