

COVENANT FAITH PARTNER - COMMITMENT TO SUPPORT

Habitat for Humanity of Greater Los Angeles' (Habitat LA) Covenant Faith Partners are anchored by the conviction that safe and affordable housing provide a critical foundation for breaking the cycle of poverty. Covenant Partners dedicate themselves to the mission of seeking to put God's love into action by bringing people together to build homes, communities and hope. Over the next five years, Habitat LA Covenant Faith Partners will strive to make a greater commitment by reaching more families in need and transforming communities in Los Angeles as well as abroad. During this time, we will demonstrate the love and teachings of Jesus Christ by serving over 600 families through providing them with affordable homeownership opportunities.

In partnership with communities, corporations, foundations, and other advocates, Habitat LA Covenant Faith Partners will place a focus on bringing coalitions of congregations together within and even outside of their denomination. With over 200 congregations, mission's groups, and partners in faith having served with Habitat LA over the last 25 years, we are particularly excited to bring them together to make an even greater impact in places like Inglewood, South Los Angeles, Culver City, Wilmington, Long Beach, Montebello, Downey, Central and South America, Africa, and Southeast Asia over the next five years.

Habitat LA is incredibly grateful to our Covenant Faith Partners in joining us in the journey ahead and enabling our ministry to succeed. The following 'Commitment to Support' represents a working agreement between the Covenant Faith Partner and Habitat LA, confirming our partnership to complete homes and serve families together.
