

## Our mission

Habitat for Humanity of Greater Los Angeles builds and renovates homes in partnership with God and people everywhere with a goal of eliminating substandard housing by making decent, affordable housing a matter of conscience and action in our communities.

# 105 W 14th Street

This project features the construction of one new housing unit on a 5,000 sq. ft. lot in the City of Long Beach.

## The new home:

- is two stories
- is 1,650 sq. ft.
- has 5 bedrooms
- has 3 bathrooms
- is fully handicap accessible
- has an attached two car garage

The home has many green features including:

- Drought tolerant yard
- Energy efficient heating system
- Insulation with recycled content
- Low-flow plumbing fixtures
- Solar ready system
