

The **ReStore** was established to provide a self-sustaining funding source for Habitat for Humanity of Greater Los Angeles (Habitat LA) and to provide our local communities with low-cost building and home improvement materials.

Donations

- The ReStore accepts new, used, discontinued or surplus building materials, appliances and home furnishings from companies, contractors, retailers, film and television studios and individuals.
- The ReStore sells donated items at drastically-reduced prices to the general public. All proceeds support Habitat's commitment to building and renovating homes in partnership with low-income, hardworking families and individuals in greater Los Angeles.
