

“We can find no social or moral justification, no justification whatsoever, for lack of housing.”

– Pope Francis

Bringing Catholic Parishes together to build a home!

Since our founding in 1990, Habitat for Humanity of Greater Los Angeles (Habitat LA) has demonstrated the love and teachings of Jesus Christ by striving to provide decent, sustainable and affordable homes for local low-income families and individuals. We are asking you to join the Catholic Coalition for the **2019 Catholic Build** and come together to put faith into action, just as Jesus' disciples did.

Ways to support include:

- Donate at habitatla.org
- Pray
- Advocate
- Volunteer to build new and repair existing homes
- Help find families in need to serve
- Help find land on which to build the homes
- Join our leadership committee

Questions? Contact:

Father Jim Kavanagh | Catholic Coalition Chaplain

“Owning a home makes a huge difference and Habitat for Humanity makes a huge difference... It is my hope that all parishes in the LA Archdiocese will find some way to participate.”

– Archbishop José H. Gomez
