

Habitat
for Humanity®
Greater Los Angeles

Power Women, Power Tools®

March 13, 2021 | Virtual Event | 11:00am PST

Please join Habitat for Humanity of Greater Los Angeles (Habitat LA) for our 17th Annual Power Women, Power Tools® event. For nearly two decades, thousands of power women have helped us build dozens of homes through this annual event. They have helped transform the lives of hundreds of low-income Angelenos in need of decent, affordable housing. For the safety and health of our communities, this year's event will be **virtual**.

Please Join Us As We:

-  Celebrate the efforts of the power women who are working to help us revitalize Long Beach's Washington Neighborhood
-  Showcase a panel of diverse power women who are helping families in greater Los Angeles build strength, stability and self-reliance
-  Highlight local, women-owned businesses supporting Habitat LA through our **Women's Empowerment Marketplace**, which goes live on **February 13, 2021**

Registration is Complimentary

Proceeds from the 17th Annual Power Women, Power Tools® will support Habitat LA's work to revitalize neighborhoods and create more access to affordable housing.

For **sponsorship opportunities**, contact Victoria Green at vgreen@habitatla.org.

Here's a sneak peek at some of the amazing businesses featured in our **Women's Empowerment Marketplace**:

- INO Vintage
- Lola Ade
- Moody Girl Candles
- Prawda's Closet
- Neha Assar Henna Artistry
- ...and many more!

We all have the power to make a difference!

"I love the idea of working for a greater cause. It makes it all worthwhile. Not just for my family and me, but for so many more!"

- TARA YOUNG, HABITAT LA HOMEOWNER
