2026 Power Women, Power Tools®
 June 5-6, 2026 | Long Beach, CA

Join us for our annual Power Women, Power Tools® - we are powered by purpose!

You are invited to join the Power Women, Power Tools community, where for more than 20 years, we have linked arms and built homes for low-income Angelenos facing housing insecurity. This year, we will be working in Long Beach, building 8 new beautiful houses for low-income, first time homebuyers. The work that we do together over these two days will help transform an empty lot into a vibrant community for those eager to start a new chapter in their life. Your sponsorship will support these efforts, making Los Angeles a place of greater opportunity for all! Become a sponsor today by visiting: bit.ly/PWPT26
