

The ReStore was established to provide a self-sustaining funding source for Habitat for Humanity of Greater Los Angeles (Habitat LA) and to provide our local communities with low-cost building and home improvement materials.

Donations

The ReStore accepts new, used, discontinued or surplus building materials, appliances and home furnishings from companies, contractors, retailers, film and television studios and individuals.

The ReStore sells donated items at drastically-reduced prices to the general public. All proceeds support Habitat LA's commitment to building and renovating homes in partnership with low-income families and individuals in greater Los Angeles. Habitat LA envisions a world where everyone has a decent place to live.

Trucks are sent out daily for item pick-ups throughout our greater Los Angeles service area.
