*COVENANT FAITH PARTNER COMMITMENT TO SUPPORT*

Habitat LA Faith Partners are anchored by the conviction that safe and affordable housing provides a critical foundation for breaking the cycle of poverty, particularly as we deal with the impact of COVID 19 in 2020 and beyond. They dedicate themselves to the mission of putting God’s love into action by bringing people together to build homes, communities and hope. Over the next (up to) five years, they will help serve more families in need of homes and help to eliminate racial inequalities, particularly when it comes to providing affordable housing. In partnership with communities, corporations, foundations, and other advocates, Habitat LA Faith Partners are committed to come together to help build hope and homes throughout the Habitat LA service area (South and Central LA, the San Fernando, Santa Clarita, and Antelope Valleys, Long Beach, Southeast Los Angeles, and the South Bay, as well as around the world in Africa, Central America, and Southeast Asia.
